# RECRUITMENT & TRAINING STANDARDS

Setting the Benchmark for Professionalism and Discipline

**NIRBHAY**  
INTELLIGENCE SERVICES PVT. LTD.

## 1 SOURCING & RECRUITMENT

### The Elite Selection Process

At Nirbhay Intelligence Services, our strength lies in our people. We follow a strict and multi-layered recruitment process to ensure only the most reliable personnel guard your premises.

**Ex-Servicemen Advantage:** We actively recruit highly disciplined Ex-servicemen from the armed forces and paramilitary sectors to bring unmatched leadership and tactical experience to your command.

**Civilian Guard Sourcing:** Civilian candidates undergo rigorous background checks, strict physical eligibility tests, and absolute 100% police verification before induction.

## 2 RIGOROUS PHYSICAL & OPERATIONAL TRAINING

### Prepared for Every Challenge

Our personnel do not just watch; they protect. Every selected guard undergoes an intensive training program managed by industry experts and field supervisors:

**Physical Fitness & Endurance:** Daily drills, stamina building, and physical conditioning to ensure optimal alertness.

**Operational Training:** Comprehensive training in gate house operations, entry/exit management, visitor logging, and material movement control.

**Emergency Preparedness:** Strategic training in fire fighting, first aid, crisis evacuation, and rapid response coordination.

## 3 UNIFORM & CODE OF CONDUCT

### The Face of Authority and Trust

Discipline is our core pillar, and it reflects in our appearance.

**Strict Uniform Code:** All guards are deployed in crisp, high-visibility, branded uniforms equipped with official badges, lanyards, and security gear.

**Code of Conduct:** Our personnel strictly adhere to a structured, professional code of conduct rooted in absolute politeness, unwavering alertness, and rock-solid integrity.
